

Sharqia Egyptian National Company is an Egyptian agro-processing and frozen food manufacturer specialized in natural frozen fruits and vegetables. Through its consumer brand **Morgan Natural Foods**, the company serves retail, food service, wholesale, and export markets with clean, practical, and reliable frozen food products.

- Egyptian frozen food manufacturer with a focus on vegetables and fruits.
- Product range designed for supermarkets, distributors, HORECA, and importers.
- Brand identity built around natural ingredients, convenience, and consistent quality.
- Packaging system suitable for retail shelves, export cartons, and B2B catalogs.

**Morgan Natural Foods** is built around a simple promise: delivering natural frozen fruits and vegetables with reliable quality and a clean, modern presentation. The brand reflects fresh-picked Egyptian crops, careful processing, and dependable freezing standards to preserve taste, color, texture, and nutritional value.
